## Demographics Strengths

The following strengths were identified after all findings were analyzed by the SBDM Committee. Burns Elementary met AMAO1 and AMAO2 for LEP population. 2018-2019 EOY data revealed the following: Pre-K students Met District standard of 70% or better in all skills. Kinder at EOY Met/exceeded District standard of 70% or better student attainment on phonics, and listening comprehension. Moreover, 1st grade at EOY Met/exceeded District standard of 70% or better student attainment in phonics development while 2nd grade students did not meet District standard of 70% of better student attainment in any of the tested TPRI skills. In regards to STAAR, our 5th grade students Index 1 passing percentage of 100% in Math showed that they improved from the 2018 scores an increased in the Reading to a 87%. Furthermore, this was no need for 5th grade students requiring accelerated instruction in Math, and there was a decrease in the amount of students needing accelerated instruction. Students are awarded at the end of every Six Weeks and at the End of the Year through an awards ceremony.

## Need Statements Identifying Demographics Needs

**Need Statement 3:** There is a need for our attendance rate to be monitored and improved. Demographics CNA Strategies: 6.1.2,6.1.4,9.1.1,9.3.2 **Data Analysis/Root Cause:** The attendance rate for Burns is 96.9%, a slight increase from previous year, but still below 97.5%.

**Need Statement 4:** There is a need on expansion of programs and services supporting parental involvement. Demographics CNA Strategies:6.1.3,6.1.5,6.1.7,6.1.9,6.1.10 **Data Analysis/Root Cause:** Burns has had lower parent participation compared to previous years because our campus has not had a reliable parent liaison on campus.

**Need Statement 5:** There is a need on the use of appropriate technologies to improve areas of learning. Demographics CNA Strategies: 8.1.1, 8.1.2, 8.1.4 **Data Analysis/Root Cause:** Technology is not being obsoleted on a regular basis and purchase of technology equipment has barely started to take place this past school year.

**Need Statement 6:** There is a need to support teacher retention and improve school climate and provide teacher incentives. Demographics CNA Strategies:3.2.1, 3.2.2, 3.3.1 **Data Analysis/Root Cause:** Not having consistent campus principal position, has led to low school morale.

# Student Learning

## Student Learning Summary

Critical to the academic success of Burns Elementary is the disaggregation of students' assessment data. Data is disaggregated consistently to identify the areas needing improvement such as meeting state student expectation and TEKS mastery. Data is disaggregated on a weekly basis through the analysis of progress monitoring, student grades, percentages of students on an RTI plan, TPRI/TEJAS LEE beginning, middle, and end of year, end of unit benchmarks, and practice state assessment exams. Administrators and teachers look at students' scores and break down the test objectives to identify strengths and weaknesses. Once weaknesses are identified, teachers plan instruction accordingly to target the weaknesses. If needed, teachers plan for intervention instruction. The SBDM meets to disaggregate assessment data and discuss campus needs.

A student group that performed less than or equal to the state average is identified as a priority. Based on the review data, best practices will be used to address the priority areas of need. Objectives of the District Improvement Plan delineate a variety of research-based strategies and are used to address the areas of need.

### Primary Grade Levels

#### Grades: K-2

Non-Special Education Rates of Retention: K (1.1%), Grade 1 (9.7%), Grade 2 (6.6%). Reported grade levels are higher than state percentages.

Special Education Rates of Retention: Kinder (0%), Grade 1 (0%), and Grade 2 (0%).

### Upper Grades

#### STAAR Summary of 3rd-5th Grades Tested

Math- All Students (85%), At-Risk (70%), Economically Disadvantaged (85%), Hispanic (85%), White (\*), Female (91%), Male (86%), Gifted and Talented (100%), LEP (76%), Migrant (-), Special Education (68%)

Reading- All Students (74%), At-Risk (60%), Economically Disadvantaged (74%), Hispanic (74%), White (\*), Female (80%), Male (70%), Gifted and Talented (100%), LEP (50%), Migrant (-), Special Education (24%)

Writing- All Students (63%), At-Risk (56%), Economically Disadvantaged (63%), Hispanic (63%), White (\*), Female (76%), Male (65%), Gifted and

Talented (-), LEP (48%), Migrant (-), Special Education (25%)

Science- All Students (92%), At-Risk (88%), Economically Disadvantaged (92%), Hispanic (92%), White (\*), Female (98%), Male (88%), Gifted and Talented (100%), LEP (88%), Migrant (-), Special Education (76%)

The trends indicate (when all students performance was compared with all students) our LEP and At-Risk sub-populations are lagging behind all student groups in the areas of Reading and Writing of the STAAR Test.

### **Student Learning Strengths**

The following strengths were identified after all findings were analyzed by the SBDM Committee. All 3rd-5th grade teachers have been trained and access student data on TANGO. Data is disaggregated to plan instruction and meet the needs of our students. Campus and district data (i.e. TPRI/TEJAS Lee, CPM, Benchmarks, Progress Monitoring Assessments) are used to improve instruction. BOY data at the beginning of the year is used to map out instructional plans by six weeks. Teachers frame a common language by planning and setting high expectations for all of our students. Students are taught by teachers who have received high quality, research based Professional Development at the campus, district, and state level. PD is on-going and effectively targets the areas of need at Burns Elementary.

### **Need Statements Identifying Student Learning Needs**

**Need Statement 1:** Appropriate use of technology must be in place to accommodate all our student population, especially due to Covid-19 as a need of preparation. Student Learning CNA Strategies:1.2.3,5.1.2 **Data Analysis/Root Cause:** Not having sufficient devices to accommodate every student on campus to fulfill instructional needs.

**Need Statement 7:** There is a need to increase Reading/Literacy in areas of fluency and comprehension as well as writing implementation across the curriculum. Student Learning CNA Strategies:1.2.1,3.1.1,5.2.1,9.2.4 **Data Analysis/Root Cause:** Burns scored 81% at the Approaches Grade Level and scored 56% at the Meets Grade Level for all grades and all subjects which is lower than previous year.

**Need Statement 8:** There is a need to accelerate instruction and provide interventions to close performance gaps through extended day tutorial program. Student Learning CNA Strategies: 1.1.1,1.1.2,1.3.1,3.1.1 **Data Analysis/Root Cause:** Burns has a 67.5% at-Risk population which is higher than district and state level.

**Need Statement 9:** There is a need to provide teachers with Professional Development in all content areas as needed. Student Learning CNA

Strategies:1.2.2,3.1.1,3.2.3 **Data Analysis/Root Cause:** Burns has a 49.7% EL population and 67.5% At-Risk population, which are higher than district level.

**Need Statement 10:** There is a need to increase student academic achievement, particularly SpEd via supplemental instructional materials and supplies for teachers, as well as general supplies to be used in the classroom. Student Learning CNA Strategies:3.2.3 **Data Analysis/Root Cause:** The SpEd group at Burns scored a 57% at Approaches Grade Level for all grades and all subjects, a decrease of 8% from previous school year.

**Need Statement 11:** There is a need to sustain campus daily health and safety operation for campus via access to nursing supplies to better serve our students. Student Learning CNA Strategies:2.1.1,5.2.1 **Data Analysis/Root Cause:** Burns has a population that is 96.9%Economically Disadvantaged, 67.5% At-Risk, with 76 students having a disability.

# School Processes & Programs

## School Processes & Programs Summary

Highly-qualified teachers carry out the instructional program at Burns Elementary. Strategies to attract high-quality teachers to high needs schools include our school's participation in supporting UTRGV students in allowing student teachers to do their student teaching at our campus and/or do classroom observation. In addition to appropriate certification, teachers are sought who are experienced and have been successful in previous assignments.

Curriculum, Instruction, and Assessment at Burns Elementary is one of most important aspects of the campus. Burns implements district curriculum initiatives and assessments as required by the state of Texas. Burns bases all of its instruction from the Texas Essential Knowledge and Skill (TEKS) and prepares students for state assessments. In doing this process, Burns' Administrators and teachers plan lessons consistently. Administrators provide teachers with instructional resources and professional development opportunities. Burns Administrators and grade-level lead teachers guide and mentor new teachers. Planning for instruction and intervention is done as a whole through vertical and horizontal alignment. Collaboration is encouraged so that teachers learn from one another.

Assessment results from assessed instruments such as TPRI/TEJAS Lee, CPM, OWL, STAAR and campus/district benchmarks impact curriculum decisions and the data guides instruction, moreover, decisions are evident in the area of scheduling of classes, daily schedules, instructional focus of the week, and the ordering of supplemental materials. RTI meetings are scheduled every 6 weeks to track the progress of students and adjust their instruction (if needed) based on their progress. Tier II and Tier III instruction is carried out by the classroom teacher and based on research based interventions. RTI committee, based on data, can then recommend 504/Dyslexia or Sped. Ed. testing.

The committees met and reviewed the processes, structures, decision-making, and overall leadership aspects of the organization, including how these areas address quality, teaching, and learning. SBDM meets once every 6 weeks to review data and set annual goals. Grades 4th-5th grade will team teach and/or departmentalize this year to emphasize teachers' areas of strength in each subject. The 3rd grade team will teach in a self-contained setting. Communication formally and informally takes place at our campus. Campus leadership is analyzed on its effectiveness and how it supports classroom instruction and state assessment results.

At Burns Elementary the SBDM committee reviewed results from the STAR Chart. The implementation and acquisition of the Technology TEKS is observed in every grade-level including PPCD, PK and Resource lab classrooms. PK-5th grade teachers utilize online assessment data bases to review scores (Eduphoria, TELPAS, CPM/TPRI, TANGO reports) and K-3rd track students' progress every 3 weeks on an IPAD where assessment data is at their fingertips to address intervention strategies swiftly. A review of professional development opportunities was made and dates indicating teacher attendance at district trainings were compared to the survey results. All student populations have access to newer computers that allow for better internet access and compatibility with updated software aligned to TEKS Readiness and Supporting Standards.

## School Processes & Programs Strengths

The following strengths were identified after all findings were analyzed by the SBDM Committee. Burns Elementary meets multiple measures of data criteria as all educators on campus are 100% Highly Qualified Teachers (HQT). Strategies to promote retention involve extensive Professional Development opportunities stemming from campus, district, and state levels. Our Literacy Initiative through Curriculum Maintenance Meetings models best teaching practices to promote literacy development in the early childhood years. This support system allows teachers to observe and model methodologies initiated at the state level and grounded on best practice. New teachers on campus or teachers new to a grade level are assigned mentor teachers to assist in transitioning to their new role. Selection of new teachers to campus involves having Burns' teachers part of the selection process. Teachers at Burns Elementary are always kept abreast of campus and district initiatives via a Weekly newsletter as well as periodic reminders in morning announcements, monthly calendar, and our e-mail system.

The following strengths were identified after all findings were analyzed by the SBDM Committee. Fluency and Vocabulary District initiative implementation in all K-5 classrooms. PK-3 YO students Met District standards on EOY performance goals for the Phonological Awareness, Rapid Letter Naming, Rapid Vocabulary Naming, Science Assessment, and Math Screeners as evidenced on CPALLS EOY report. Teachers participate in curriculum and assessment decisions on our campus. These decisions allow for teacher input and feedback to best assess TEKS competencies and provide rigor expected at their respective grade levels. Computer-based programs support the state mandated curriculum and provide visual stimulation to present content in different ways. Funding permitting, the extended day program for grades 3rd-5th is carried out at Burns Elementary twice a week. Extended Day Enrichment Program for PK-5th grade students is carried out five days out of the week. Weekly grade level meeting focus on data desegregation and instructional best practices to meet the needs of our diverse student populations.

Campus needs are always prioritized when it comes to the organizational structure and context of our school; therefore the after reviewing multiple sources of data and gathering teacher input, it stood to reason to have our 3rd grade team self-contain and to departmentalize and/or team teach in grades 4th-5th. The teachers in 3rd grade are able to focus in the their own students needs, and divide their subject time accordingly. Having the 4th and 5th grade team teach, has the effect of relying on teacher strengths on specific content areas, narrows the focus and aligns campus and district resources more efficiently. In 5th grade, our classroom-size reduction teacher (CSR) alleviates classroom size to better meet the needs of our students. SBDM meets as needed to disseminate important information as well as gather stakeholder input regarding campus initiatives and activities.

The following strengths were identified after all findings were analyzed by the SBDM Committee. Burns Elementary has a TST on campus. Our 2nd & 5th grade students have access to I-Pads at school and at home; furthermore, two computer labs allow all students access to newer computers leading to better internet access/compatibility and updated software. 5th Grade Computer access for all via Special Programs' purchase of COWS (Computers on Wheels). Our parent liaison also offers presentation on parent HAC access to check student academic progress.

## Need Statements Identifying School Processes & Programs Needs

**Need Statement 2:** The biggest problem our teachers have come across, is not having sufficient technology devices to accommodate all students. SP&P CNA Strategies:8.1.1,8.1.2 **Data Analysis/Root Cause:** Covid-19 effects have pushed education into a virtual instruction model, and there is a lack of sufficient funding to accommodate all students in this area.

**Need Statement 12:** There is a need on Professional Development opportunities for everyone mostly in the areas of Technology, LA, and Math. SP&P CNA Strategies:1.1.2,7.1.1,7.1.2,8.1.3,9.2.1 **Data Analysis/Root Cause:** Burns has a 49.7% EL population and 67.5% At-Risk population to sustain for school processes and programs.

**Need Statement 13:** There is a need to improve the amount of parents actively involved on our campus. SP&P CNA Strategies:6.1.1, 6.1.2,6.1.1 **Data Analysis/Root Cause:** Inconsistency in our Parent Liaison position has contributed to less parental involvement in recent years.

**Need Statement 14:** There is a need to improve on the amount of parents showing up to the classrooms for Open House. SP&p CNA Strategies: 4.1.1,6.1.1,6.1.4 **Data Analysis/Root Cause:** As per our CNA survey, we had less than 5% participation from parents.

# Perceptions

## Perceptions Summary

The campus critically analyzes the school culture and climate to ensure that students are being provided with a safe and disciplined environment conducive to student learning. Administrators and teachers meet on a weekly basis to discuss matters related to providing and positive school culture and climate. The SBDM representatives bring issues and concerns to the monthly meetings. Campus long range plans, policies and procedures, and safety issues are communicated to both parents and community members to assist the campus in providing a positive culture and climate. Parents are strongly encouraged to get involved in volunteering opportunities that will assist their child's education. Issues are reviewed and discussed through consistent dialogue and both administrators and teachers create a plan to improve issues that affect School Culture and Climate.

At Burns Elementary there was not one violent or criminal incident in 2019-2020. The campus will continue to implement prevention and intervention strategies to continue pattern of no discipline incidents.

Burns Elementary is committed to involving parents and community members to be involved in students' education. A parental involvement survey was passed out and the SBDM committee analyzed the answers to determine decisions for the school year. The parent liaison compiles data on parental participation attendance and meeting agendas for the SBDM committee. With that information, the SBDM determines campus needs. In order to increase parental involvement attendance rates, parent and community member volunteer opportunities are available throughout the school year.

## Perceptions Strengths

The following strengths were identified after all findings were analyzed by the SBDM Committee. Burns Elementary teachers and staff assist with supervision and duty. This increased vigilance, reduces the possibility of inappropriate student behavior at our school; furthermore, all teachers on campus have been trained and utilize the eSchool Plus incident report system to document student behavior. Data gathered is used to formulate behavior plans for students, analyze trends in student behavior, and as a discipline tracking tool that expedites the consequence for student infractions. Our counselors also assist with to promote a positive school culture and environment; during bullying week, weekly presentations provide awareness and support positive behaviors at the school. Moreover, at Burns Elementary we have a full-time, highly visible security on campus. Efforts to communicate our positive campus culture and climate is augmented by having administration and district personnel present at bi-weekly parental involvement meetings. Parents are made aware of the varying campus initiatives aimed at supporting a positive school culture.

As evidenced by 2019-2020 CNA results, the following is a list of our strengths in regards to family and community involvement at Burns Elementary. Parents for the most part are pleased with instructional decisions and outcomes in regards to their children. In addition, most would agree that the school's climate and culture promotes self-awareness and fosters the growth of the student body as a whole. Parents feel welcomed at our school and feel administration does a good job in hearing their concerns and issues. Burns staffs a full time parent liaison who holds bi-weekly parent meetings on a wide array of educational and non-educational topics of interest. These are geared at improving parental involvement as well as provide valuable insights to improve student outcomes.

## Need Statements Identifying Perceptions Needs

**Need Statement 15:** There is a need to continue to monitor our campus and maintain our facility upkeep on a regular basis to ensure that we provide an environment that is conducive to learning for our students. Perceptions CNA Strategies:2.1.1 **Data Analysis/Root Cause:** The Attendance Rate for Burns is 96.9% which is less than 97.5%.

### Demographics

**Need Statement 1:** There is a need for our attendance rate to be monitored and improved. Demographics CNA Strategies: 6.1.2,6.1.4,9.1.1,9.3.2 **Data Analysis/Root Cause:** The attendance rate for Burns is 96.9%, a slight increase from previous year, but still below 97.5%.

**Need Statement 2:** There is a need on expansion of programs and services supporting parental involvement. Demographics CNA Strategies:6.1.3,6.1.5,6.1.7,6.1.9,6.1.10 **Data Analysis/Root Cause:** Burns has had lower parent participation compared to previous years because our campus has not had a reliable parent liaison on campus.

### School Processes & Programs

**Need Statement 3:** There is a need to improve the amount of parents actively involved on our campus. SP&P CNA Strategies:6.1.1, 6.1.2,6.1.1 **Data Analysis/Root Cause:** Inconsistency in our Parent Liaison position has contributed to less parental involvement in recent years.

**Need Statement 4:** There is a need to improve on the amount of parents showing up to the classrooms for Open House. SP&p CNA Strategies: 4.1.1,6.1.1,6.1.4 **Data Analysis/Root Cause:** As per our CNA survey, we had less than 5% participation from parents.

**Goal 7:** Educators will keep current with the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning. (TEA Ch. 4 Obj. 9)

**Need Statement 2:** There is a need on Professional Development opportunities for everyone mostly in the areas of Technology, LA, and Math. SP&P CNA Strategies:1.1.2,7.1.1,7.1.2,8.1.3,9.2.1 **Data Analysis/Root Cause:** Burns has a 49.7% EL population and 67.5% At-Risk population to sustain for school processes and programs.

**Goal 8:** Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration. (TEA Ch. 4 Obj. 10)

**Performance Objective 1:** The campus will show a 5% increase in all four key areas of the Star Chart: 1. Teaching and Learning 2. Educator Preparation and Development 3. Leadership, Administration and Instructional Support 4. Infrastructure for Technology

**Evaluation Data Sources:** EOY Student grades, electronic portfolios, StarChart Survey Results, T-TESS, Professional Development System Summary Reports, Fixed Assets inventory Expenditure reports

### Demographics

**Need Statement 3:** There is a need on the use of appropriate technologies to improve areas of learning. Demographics CNA Strategies: 8.1.1, 8.1.2, 8.1.4 **Data Analysis/Root Cause:** Technology is not being obsoleted on a regular basis and purchase of technology equipment has barely started to take place this past school year.

### Student Learning

**Need Statement 1:** Appropriate use of technology must be in place to accommodate all our student population, especially due to Covid-19 as a need of preparation. Student Learning CNA Strategies:1.2.3,5.1.2 **Data Analysis/Root Cause:** Not having sufficient devices to accommodate every student on campus to fulfill instructional needs.

### School Processes & Programs

**Need Statement 1:** The biggest problem our teachers have come across, is not having sufficient technology devices to accommodate all students. SP&P CNA Strategies:8.1.1,8.1.2 **Data Analysis/Root Cause:** Covid-19 effects have pushed education into a virtual instruction model, and there is a lack of sufficient funding to accommodate all students in this area.

### Perceptions

**Need Statement 1:** There is a need to continue to monitor our campus and maintain our facility upkeep on a regular basis to ensure that we provide an environment that is conducive to learning for our students. Perceptions CNA Strategies:2.1.1 **Data Analysis/Root Cause:** The Attendance Rate for Burns is 96.9% which is less than 97.5%.

**Goal 9:** Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma. (TEA Ch. 4 Obj. 3)

**Performance Objective 1:** Increase the overall campus attendance rate to 96.8% with a target of 97.5% for Burns Elementary, and improve At-Risk Student Attendance Rate by 10% over prior year attendance.

**Evaluation Data Sources:** District and campus attendance rates, At-Risk Student Attendance.

## **ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)**

### **1.1: Comprehensive Needs Assessment**

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (CNA, Pgs. 5-17) over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have a minimum of 90% of all student groups perform at a Meets Performance on STAAR Assessments for the 2019-2020 school year and to increase the Masters Performance to at least 40% in all content areas.

The CNA is comprised of the strengths and needs ranked within each Multiple Measure of Data. The list of data sources include the following:

- District / Campus Goals
- TEA Accountability Summary Report
- TEA Academic Performance Report Card
- STAAR, TELPAS, TPRI, Tejas Lee, Benchmark Results
- Campus Needs Assessment Survey completed by staff, students, and parents

The CNA was reviewed and revised for 2020-2021 on May 22, 2020.

## **ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)**

### **2.1: Campus Improvement Plan developed with appropriate stakeholders**

The CIP was developed by SBDM committee (names and roles can be found at the end of our plan). The CNA was reviewed and sub-committee developed the new performance measures and needs were identified. We identified problem statements and root causes to help us implement the needed strategies to improve performance measures.

### **2.2: Regular monitoring and revision**

Our Campus Improvement Plan is regularly monitored through SBDM and revisions are made as needed on a quarterly basis. The CNA was reviewed and revised for 2020-2021 on May 22, 2020. The SBDM meeting dates for this took place as follows: May 22, 2020

The Title I Schoolwide Element's Strategy: 6.1.8 ensure representation of community and parent involvement in the decision making progress.

### **2.3: Available to parents and community in an understandable format and language**

Our Campus Improvement Plan will be posted on our Campus Website and is available on paper format on campus in English it will be translated to Spanish upon request.

### **2.4: Opportunities for all children to meet State standards**

The school will provide opportunities for all students, including each subgroup of students, to meet State academic standards. The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly provided through accelerated instruction during extended day and tutorial programs in order to improve at-risk student achievement on campus, district, and state assessments. Our campus develops prevention and intervention strategies that decrease the retention rate and improve student achievement through tutorials in the core-area subjects for low-performing students as well as provide supplemental resources to enhance the instructional program. Any student who is at-risk of failure is placed on an RTI and monitored with necessary accommodations.

The Title I Schoolwide Element's Strategy 1.1.1 Utilize research based instructional resources and targeted interventions to ensure that all students are prepared to meet the demands of standardized assessment (local, state, and national)tools. Targeted interventions include but are not limited to the following: STAAR Supplemental Resources, SIOP and Bilingual Resources, Early Childhood Resources, RTI Tier Model, and District adopted curriculum. Population: All students, , SPED, At-Risk, EL, TI, MI, SE, GT, DYS.

The Title I Schoolwide Element's Strategy 9.2.6 PK-5th grade students not meeting reading, writing, math, and/or science standards will be provided an extended day/week tutorial program in order to bring them to grade level using differentiated instruction. Supplemental instructional materials will be

purchased to support the curriculum for implementing instruction. Population: TI, MI, LEP, AR, DYS students.

## **2.5: Increased learning time and well-rounded education**

To accomplish these objectives, the staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/ summer school/ enrichment program, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the State and local improvements plans. As per BISD policy, Burns Elementary will implement tutorials and remediation strategies in Reading, Math, and Science in order to decrease the retention rate and improve student achievement. Pre-K full day program teachers will be working with phonological and language development activities using hands-on approaches in order to meet PK guidelines and CIRCLE components. Materials incorporated in the CIRCLE curriculum will be purchased to assist with oral language and development of PK students.

The Title I Schoolwide Element's Strategy: 1.2.3 PK-5th grade students will have the opportunity to attend Extended Day Enrichment Program which will provide academic integration through LA, AR, Math, Science, Technology, Arts/Crafts, and Health. Population: All Students.

The Title I Schoolwide Element's Strategy: 7.1.2 Provide annual RTI training to be implemented through the RTI Tier Model in order to support student academic growth and success. Population: TI, MI, LEP, SE, AR, GT, DYS students.

## **2.6: Address needs of all students, particularly at-risk**

The needs of all students, particularly of those who are at-risk are met by faculty and staff on campus. These students are given the opportunity to attend intervention tutorials, are given remediation strategies in the curriculum during daily TIER II time, and attend extended day at least twice a week in order to decrease retention rates and improve student achievement. Instruction is differentiated by the teachers and if needed, students are placed on an RTI with accommodations in order to meet student's needs. Our Dyslexia students are provided services through our Dyslexia lab on campus.

The Title I Schoolwide Element's Strategy: 1.1.2 The campus will implement a systematic assessment plan at the classroom level, along with teacher input, that includes the use of CIRCLE/CPM, TPRI/Tejas Lee, STAAR, Interim Assessments, Pearson Unit Assessments, and Check-points to progress monitor student achievement and reinforce essential academic skills. Population: TI, MI, LEP, SE, AR, GT, DYS students.

The Title I Schoolwide Element's Strategy: 1.2.1 The RTI teacher specialist and Dean will continue to monitor implementation and provide PD/Coaching

to classroom teachers in regards to district and campus initiative aimed improving literacy development. Phonemic Awareness, Writing, Fluency Initiative, Vocabulary, AR Program use. Population: TI, MI, LEP, SE, AR, GT, DYS students.

The Title I Schoolwide Element's Strategy: 9.2.2 Provide a campus wide Dyslexia program for identified students; identification process will follow RTI and Dyslexia procedures. Services provided will include individualized accommodation plans to be implemented in general education classrooms. Instructional approaches will include explicit, individualized, and multi-sensory instruction in a small group setting. Population: DYS, AR students.

## **ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)**

### **3.1: Develop and distribute Parent and Family Engagement Policy**

The campus will distribute to parents and family members of participating students the Parent and Family Engagement Policy during the first parent meeting and it will be prepared and provided in English and Spanish. The Parent and Family Engagement Policy was prepared, reviewed and revised in Spring 2020. An annual Title I-A meeting will be given at the beginning of the school year (September 2020) to inform parents of services and activities provided through Title I funds. There will be Title I meetings held throughout the school year on a flexible schedule. Parents are invited to attend and learn about the necessary requirements of becoming a parent volunteer. The list of individuals and their roles who assisted in the development of the Parent and Family Engagement Policy include:

- Leticia Rodriguez-Bohn - Administrator
- Ericka Hinojosa - Facilitator
- Maria Rangel - Parent
- Ana Karina Hinojosa - Parent
- Yolanda Perez - Community Rep.
- Areli Soto - Community Rep.

The Title I Schoolwide Elements" Strategy: 6.1.9 Review, revise, complete, and disseminate a Parental Involvement Policy that delineates how parents will be actively involved at the district/campus level with the intention of increasing participation via parent meetings. Population: Parents

### **3.2: Offer flexible number of parent involvement meetings**

The School will host bi-weekly parent-training meetings on a flexible schedule in a work friendly environment on campus. Parent Meetings are scheduled on Tuesdays with times being either 9:00 AM or 5:00 PM and same information is covered to help keep parents informed. The topics covered will assist in improving student achievement, attendance, and student discipline in school and at home. Adjustments were made due to campus circumstances, and meetings were limited and parents were met with on individual basis as needed.

The Title I Schoolwide Element's Strategy: 6.1.3 The School will host bi-weekly parent-training meetings to accommodate all stakeholders on topics that will assist in improving student achievement, attendance, and student discipline in school and at home including but not limited to: Wellness/Nutrition, Homework Assistance, Instructional Support, Discipline Strategies, College Readiness, STAAR, and SBDM. Population: Parents.

1. select Goal 1 for your EC Goal by clicking the box when editing the goal
2. The CIP revision date--probably May 2020 when your SBDM last met about it
3. ESSA Elements 1.1 still says Levels of performance instead of Meets and Masters levels. "The goal is to have a minimum of 90% of all student groups perform at a Level II Performance on STAAR Assessments for the 2019-2020 school year and to increase the Level III Advanced Academic Performance to at least 40% in all content areas."

remaining corrections or updates:

1. CIP date revised for 20-21 (May 2020 date)
2. still have to link needs statements in funded strategies
3. select Goal 1 as EC goal

6-21-2020 corrections needed:

ESSA Elements

6.1.7 strategy needs re-wording to indicate T1A meeting on multiple dates and times

6.1.3 must indicate flexible meetings on different times and dates

Descriptions under ESSA elements must address all components in the TEA checklist

2.2 should have May date

Needs should be migrated into new format for all multiple measures and clearly stated as needs  
then they needs should be prioritized and ranked

Check off what data sources were used to develop your needs assessment

CIP date of review and revisions to create 2020-2021 plan

Goal strategies must be updated to move populations and link to needs (done after doing needs step above)

After all updates are made to move information into new format then delete old population, timeline and CCNA information from all strategies
