

Hey Bandits Ms. Saldivar here...

Hope you had a great time working on your 1st assignment, the Color Wheel with things found around the house.

For your assignment #2, since we are during the "Easter Time", I would like for you all to make an animal. You can make any animal you want out of roll of toilet paper. You can use any materials you have at home. Example (Markers, paint, colors, glue, tape, etc.). Let's be creative and I can't wait to see the animals you have created!

Be safe and take care!!

P.S. - Don't forget to submit a picture with your information when you are done!!!
