

Hey Bandits Ms. Saldivar here...

Hi everyone, for this week's lesson you are going to create a typography using anything you want. You can see in the pictures, examples of what you are going to make. You can choose the "word" to create out of anything you have available at home---sounds confusing, but the pictures show the examples of what I mean. So, get to spelling and get creative!!!
Have fun Bandits!!!

Be safe and take care!!

P.S. - Don't forget to submit your work!!!
